

ABRAHAM: Walk By Faith

This exciting true to life video produced by Opening Moments Media, LLC™ is a realistic account of the life of Abraham, straight from the Bible. Designed for the faith-based business community, this two-part series illustrates what it means to "Walk By Faith".

Events of Abraham's life are depicted in memorable vignettes: Abraham and his wife Sarah with their promised baby, the sacrifice of his son Isaac, his plea with God overlooking the City of Sodom, his blessing from Melchizedek and his journey to the Promised Land.

The Biblically accurate production of *"Abraham: Walk By Faith"* involved 16 actors, period costumes, makeup, live animals and the re-creation of a small city. The presentation highlights events in the life of Biblical Abraham, who obeyed when he was called, and he went out, not knowing exactly where he was going.

The set of Abraham is remarkably true to history, right down to the carefully re-created Bedoin tents. Site surveys were conducted, resulting in an ideal location - a landscape that accurately mirrors the terrain in which Abraham and his descendants lived.
