You won't ever catch David passing up an opportunity to encourage and uplift another human being. He has excelled in sales and customer relations for over 20 years, and has spent much of his time in missions - after entering a church 22 years ago and realizing his desire to change the lives of others through words of great power and inspiration. David will soon be celebrating his 10th year wedding anniversary followed by celebrating the birth of his 7th child.

At Opening Moments, David is excited to move the message of motivation and information through the creative and incredibly powerful platform that media provides.
